

\$100 Visa Gas Card Incentive

We hope you're feeling energized, and excited for this year's AEP. To give you even more of a boost, Clover is offering **the chance to earn a \$100 Visa cash Card!**

Clover wants to get you off the starting line quickly this AEP! Announcing our new incentive campaign that runs the first two weeks of AEP. For every **4 approved** Clover applications submitted by an agent from 10/15/18 to 10/31/18, Clover will provide you with a \$100 Visa Cash Card to pay for gas expenses incurred. The card will be sent directly to you by late November!

There is **no** limit on the number of \$100 Visa Cash Card rewards that you can receive during this time period. For example, an agent who submits 10 applications between 10/15/18 and 10/31/18 will receive two \$100 cards (however, an agent who submits 3 applications during that time period will not receive any).
