

How To Certify For The State Exchange In: **Maryland**

Information gathered from [Maryland Health Connection](#)

The following is the process **required** in order to be able to sell through the MHC as a licensed Agent or Broker.

1. Be a licensed agent in the state of Maryland.
2. Submit the Broker Authorization Application with required documents (emailed Broker Support for document to link in)
3. Register on [MHBE](#) and complete the training courses.
4. Once completed, a notification will be sent that will authorize you to sell plans on MHC for 2 years.
5. After authorization, you will receive log-in credentials for the Broker Portal on MHC.

For more in-depth details about licensing and training, please see the [Authorized Broker Manual](#).

For additional information about training, please see the [Maryland Ste-by-Step Guide](#).
